Dear WFSLM Canadian Chapter Team,

On behalf of Tearz Foundation, I would like to extend our heartfelt gratitude for choosing us as your partner for the Ramadhan project "Reaching the Unreachable." Your trust and support mean a great deal to us, and we are honored to have collaborated with your organization on this meaningful initiative.

Tearz Foundation was established in the year 2004 by a group of dedicated young individuals with a mission to help the needy and ensure that those in rural areas receive the assistance they require. Over the years, Tearz Foundation has undertaken a range of projects including water wells, educational initiatives, Ramadhan projects, zakat distributions, disaster relief efforts, women empowerment and many more. We also have a Ramadhan project under the theme "Feed the needy," where we distribute dry rations to those in need across the country.

Thanks to our partnership with WFSLM CC and the generous contribution of LKR 675,000, we were able to distribute 105 dry ration food packs to low-income earners and widows in Kahatagasthagiliya and Kiribbewa areas in the district of Anuradhapura. This support directly impacted the lives of individuals who rely on daily wages in the cultivation sector and widows facing economic challenges.

We deeply appreciate WFSLM CC's commitment to making a positive difference in the community and for choosing Tearz Foundation as your partner for this noble cause.

Attached below in this document are receipts of your generous donation and a few pictures of the distribution. If you have any questions, please do not hesitate to contact me at +94 77 651 5415.

Once again, thank you for your generosity and collaboration. We look forward to continuing our partnership and working closely on many more impactful projects in the future.

Warm regards,
